

## **St Paul's Church**

### **Birmingham Fest 2019 hire info**

#### Capacity

The church seats up to 300 (including the upstairs balcony).

#### Performance space

You may use the regular space at the front of the church or a stage can be erected in front of the sanctuary.

**PLEASE NOTE:** Due to the nature of this venue there is no sound or lighting (other than the church lighting – which is well lit). You may provide your own sound and lighting.

The church has an organ and a piano which may be used as part of the hire cost.

#### Hire cost

**£200**

Performance times are more flexible for this venue.

Performance length is also more flexible. It is also possible to have an interval and a bar provided by an outside company.

Prices for anything other than performance are available on request.
